## Short Film Contest – Regulation

### 1. Objectives

Villammare Festival Film&Friends is organized by Villammare Film Festival- Gulf of Policastro Association. The short film contest has been the beginning and the backbone of the Festival. Attention to short films is an opportunity to give space to experimental cinema, young talents, and to the evolution of film language.

Villammare Festival wants to be an opportunity for filmmakers, both Italian and foreign, and an occasion to contribute to the cultural liveliness and promotion of the territory in the South of Salerno in an international context, promoting exchanges between European countries and spreading international cinematography with the aim of educating the public to a wider film culture.

### 2. Place and date
